 - (c) the willingness of the Student and the Applicant (where applicable) to comply with the School's policies and procedures.
- 4.4 An enrolment offer may be withdrawn, regardless of the availability of places, in situations where:
- (a) relevant information is withheld or information provided is found to be inaccurate; or

7. Reasonable Adjustments

- 7.1 Where information obtained by the School indicates that a Student has a disability, the Principal will consult with the Student and the Applicant (as appropriate) to determine whether the disability would affect the Student's ability to participate in or derive substantial benefit from the educational program at the School. - 7.4 If reasonable adjustments are necessary to enable a Student to enrol in or participate at the School, the School will make those adjustments to the extent that they do not involve unjustifiable hardship. In determining whether an unjustifiable hardship would be imposed on the School, the Principal will take into account the relevant circumstances of the case, including:
- (a) the nature of the benefit or detriment likely to accrue or be suffered by any persons concerned (such as other students, staff, the School community, the Student and the family of the Student).

 - (g) the availability of financial and other assistance to the School (such as financial incentives, subsidies or grants available to the School as a result of the Student's participation); and
 - (h) the nature of the Student's disability, his or her preferred adjustment, any adjustments that have been provided previously and any recommended or alternative adjustments.

Luther College Enrolment Policy

- 7.5 The Principal will discuss with the Student and the Applicant (as appropriate) the concerns that it has regarding any proposed adjustment that would cause unjustifiable hardship to the School;
- 7.6 If the Principal is satisfied that they have sufficiently consulted the Student and the Applicant (as appropriate) and adjustments required are not reasonable, or would cause unjustifiable hardship, or the School determines that the student could not or cannot participate in or continue to participate in or derive or continue to derive any substantial benefit from the educational program even after the adjustments were made, the School may decline to offer the Student a position or may defer the offer.
